Sir/Madam,

Sub - Information Required U/s 6(1) of RTI Act- Reg.
 Ref – 1. RTI application dated 21/10/2022
 2. Letter No PIO – 16877/2022 Dated 24.11.2022
 of State PIO, Directorate of Tourism

I had placed my application as per reference (1) cited to obtain information in 4 questions, serially numbered regarding the following 9 designations in your department under RTI Act: 1. Administrative officer 2. Assistant director 3. Assistant director (Prog Devpt & Moni.Cell) 4. District Social Justice officer 5. Finance Officer 6. Administrative Assistant 7. Law Officer 8. Public Relations Officer 9. Public Relations Officer (SCPCR)

1. The number of sanctioned strength of the above mentioned 9 designations in your department.
2. Scale of pay of the above mentioned 9 designations in your department.
3. The year wise number of vacancies (arisen due to promotions, retirement, left the department, die in harness or any other reason) in the above 9 designations in the years 2018, 2019, 2020, 2021 and from 01.01.2022 till 07.10.2022.
4. The Head of Account(s) and the name of the Treasury, Treasury code under which the salary is drawn for the above mentioned 9 designations.

The information received vide reference (2) is incomplete and inadequate as out of the information sought for 9 designations as mentioned above, information is seen not provided for three designations namely, Assistant director (Prog Devpt & Moni.Cell), Public Relations Officer and Public Relations Officer (SCPCR). The Government's budget document states that these designations belong to your department, i.e., included in the sanctioned strength.

Hence this appeal is preferred to obtain the required information sought which is available with the State PIO of that office. I may not be heard for this appeal.

Yours faithfully

Adv. Aswin Kumar M J
